

Cookies	Name	Type	Aim	More information
__CONSENT __NID __AID __IP_JAR __APISID __HSID __OGPC __SAPISID __SID __SSID __SIDCC __UULE	Google Analytics	From third parties	These collect information on the browsing of website users to find out the origin of the visits and other similar information at a statistical data. This tool does not obtain data regarding the users' first or last names, or the specific postal address from which they access the site. The NID cookie contains a unique ID that Google uses to remember your preferences and other information, such as your preferred language (for example, Spanish), the number of search results you want to be displayed per page (for example, 10 or 20) and if you want the Google SafeSearch filter to be activated or not. For example, we use "SID" and "HSID" cookies, which contain digitally signed and encrypted records of a user's Google account ID and most recent sign-in time.
